Churches Together: This Sunday we are hosting the Churches Together Tea. This is a community event which benefits people who would usually spend the afternoon on their own. Please could you be generous and support us either by attending or by providing cake, sandwiches or other suitable finger food.

Singing: We are having regular singing practice for the choir and anyone else who is interested in upcoming music, for a brief period after mass, before staying for a beverage! Please think about staying on briefly after mass for this - or for a coffee so you can listen to the

singing! This will help us to consolidate what we are already able to sing and increase our repertoire of new church music.

Children's Liturgy: Children's liturgy has now resumed for the year and we now have enough volunteers to ensure that it is run every Sunday, apart from holidays and festivals. For specific information please look at the term sheet at the back of church as well as on the website, where more detailed information is available, including photos of our team members.

Sacred Heart Candle: You may have noticed that there is now a seven-day votive offering candle permanently alight before the statue of the Sacred Heart at Holy Angels. Anyone who wishes to offer that votive candle for a particular private intention for a week, needs to speak to the office. The cost of the candles are £3.

CAFOD: The recent cake sale at Holy Angels raised £35. The next cake sale will take place on the third Saturday/Sunday in February. The Autumn cake sale raised £46.30 and this sum assisted a small Bolivian community to install a basic irrigation system and infiltration system that stops dry soil washing away when it rains. Therefore thanks to your efforts the people are now assured of healthier crops.

Quinquennial Parish Property Survey

As reported to the AGM, we have recently had an independent review of the fabric of the church, the presbytery and the grounds, known as a quinquennial. This did not reveal any major issues other than a recommendation for a modernised kitchen, which the AGM endorsed and for which we have now obtained architect's drawings. There are however a very large number of relatively small recommendations like renewing the lines for the front car park bays and removing trip hazards. If there is anyone in the congregation which the kind of practical skills which your priest and finance committee lack and who would be prepared to give up a bit of time to help out with some of the tasks, Father Robin or Tim Flesher would be delighted to hear from you!

Father Athanasius McVay in Conversation with Fr Alexander Lucie-Smith: On Monday 30th January at St Hugh of Lincoln, Knaphill, GU21 2AA. 2nd Sunday in Ordinary Time

We need 'power from on high'

Were Jesus' fears eased when he heard the Father was 'well pleased'? He was empowered by the Holy Spirit to begin his mission: to bring to the world the Good News of God's compassion, mercy and forgiveness for our sins. By daily dialogue about concerns and issues and by seeking 'help from on high', we can overcome our fears.
