### Message from the Holy Angels Parish Finance Committee

As Fr Robin mentioned last weekend, the parish Finance Committee are planning that the front car park should be resurfaced and that access to the car park should be controlled by gates. At this stage we expect the resurfacing work to be carried out during August. This has become necessary because the volume of use of the car park, especially by non parishioners, has led to it becoming very worn in places, creating a potential health and safety hazard. Alongside the resurfacing, we plan that access to the car park should be controlled by gates to prevent a similar deterioration in the future. We anticipate that this work might be carried out during the last week of July.

Once the gates are installed we plan that since the car park is for the use of the church and its parishioners, they will normally remain closed except for church events. The PFC is aiming to ensure that this causes no inconvenience to parishioners but it will obviously be helpful if access is required outside the normal requirements of Masses etc if Fr Robin is informed in advance.

### Children's Liturgy

Children's liturgy at Holy Angels will resume on Sunday 2nd September. If we could have some more volunteers we could increase Children's liturgy to twice a month. 😊

### First Holy Communion

We will be preparing young people from Year 3 age in our parishes for Holy Communion and will begin our program as usual in September. Families wanting their children to make their First Holy Communion **must** be attending mass on a weekly basis, application forms available in church for those attending mass.

### Confirmation

If you are interested in Confirmation for a young person (normally in Year 10 or above) please contact the office. If there are enough candidates we will run a course in the Autumn. If not we will have a fallow year until 2025.

Forms will be available next week at the back of both churches.

**Purchases** – we have had a few instances recently where people have kindly ordered something for the parish which has then been charged to us, and is then difficult to track down for accounting purposes. Can we please ensure that nothing is ordered for the parish without taking to Gloria in the parish office first.

### International Mass – Sunday 20<sup>th</sup> at Holy Angels

We want to celebrate the many different nationalities and languages we have in our community. We are encouraging people to wear national dress, to bring flags for the different nationalities we have, and it would be good to be able to have some taster plates of different cuisines.

### Holy Angels Repository / Gift Shop

Now restocked with mass cards

### New Lectionary

**In Advent a new translation of the Lectionary will come into effect. It is unwise to buy a new missal before then!**

### End the British Government's cruel two-child benefit cap

Did you know that BPAS, one of Britain's biggest abortion providers, has identified that the Government's punitive two-child Universal Credit limit is "a significant factor" in many women deciding to abort their child?

Research carried out by BPAS confirmed that, "Among women who were aware of the two-child limit and likely to be affected (women in receipt of Universal Credit or Tax Credits), 57% said that the policy was important in their decision-making around whether or not to continue the pregnancy."

The two-child benefit cap targets the poor and vulnerable. Please help mothers choose life and overturn the cruel and punitive two-child benefit cap.
