## **URGENT STOP ASSISTED SUICIDE**

**The Bishops of England Wales are asking EVERY CATHOLIC TO OPPOSE THIS MORAL EVIL. This is the biggest threat to a true vision of the sacredness and value of every human life as a person made in the image of God since the introduction of the abortion act.**

The CBCEW website has been updated with a raft of resources to inform us regarding the assisted suicide legislation that is currently working its way through Parliament. This link will take you to the relevant page on the website: <https://www.cbcew.org.uk/opposing-assisted-suicide/>

**Right to life has a petition to send to our local MP.**

Very helpfully they also have a link to a BBC documentary to get you thinking about this issue and which can be shared with friends, family and other interested parties.

It features actor and disability rights advocate Liz Carr's BBC documentary on assisted suicide, *Better Off Dead?*. You can

In the documentary, Liz travels to Canada to examine the impact of one of the world's most extreme assisted suicide laws. She does an excellent job of bringing the serious danger of introducing assisted suicide to life and making a strong case against introducing similar legislation in the UK.

The experience of other countries illustrates the "slippery slope" of assisted suicide legislation, with nations and states progressing towards a more wide ranging provision of assisted suicide over time. Indeed, an article published on 5 October in The Telegraph newspaper highlighted that a group of 54 cross-party MPs are already believed to be campaigning for the Bill to expand to include those who are "incurably suffering".

When questioned about the possibility of assisted suicide legislation and provision expanding over time, Ms Leadbeater said "Wherever a law has been introduced in other countries and it's got strict limited criteria with proper safeguards and protections, it hasn't been widened. So there is a perception that's the case but it isn't the case".

This view is firmly contested by charity Right to Life which reports that: "a review of the assisted suicide data from Oregon over the last 25 years, published by leading academics in the journal BMJ Supportive & Palliative Care, suggests that since the law was introduced in Oregon [it has] been interpreted to allow for wider access to assisted suicide... with patients with a range of non-cancer diagnoses receiving [physician assisted suicide for] non-terminal illnesses such as arthritis, arteritis, complications from a fall, hernia, sclerosis, 'stenosis' and anorexia nervosa".

In a Pastoral Letter issued last weekend, Cardinal Vincent Nichols said: "Be careful what you wish for. This proposed change in the law may be a source of relief to some. But it will bring great fear and trepidation to many, especially those who have vulnerabilities and those living with disabilities. What is now proposed will not be the end of the story. It is a story better not begun."

### **A Prayer for Life – John Paul II**

O Mary, bright dawn of the new world, Mother of the living, to you do we entrust the cause of life Look down, O Mother, upon the vast numbers of babies not allowed to be born, of the poor whose lives are made difficult, of men and women who are victims of brutal violence, of the elderly and the sick killed by indifference or out of misguided mercy.

Grant that all who believe in your Son may proclaim the Gospel of life with honesty and love to the people of our time.

Obtain for them the grace to accept that Gospel as a gift ever new, the joy of celebrating it with gratitude throughout their lives and the courage to bear witness to it resolutely, in order to build, together with all people of good will, the civilization of truth and love, to the praise and glory of God, the Creator and lover of life.

### **Music for the 11am Mass**

*With our mass of thanksgiving for our very diverse community we are using a mixture of Latin (the universal language of the Church) and Taizé chants which have both an English translation and the opportunity to sing some other languages while maintaining our understanding across our church family of what is being said.*

### **The mass setting is the Missa de Angelis**

Laudate 497 – Kyries  
Laudate 498 - Gloria  
Laudate 499 - Sanctus  
Laudate 500 – Agnus Dei

*Apart from the Latin texts most of the chants are first sung in English before another language is used.*

### **Entrance Hymn:**

**Domine Deus, Filius Patris,  
miserere nobis.**

*(Lord God Son of God have mercy on us)*

### **Offertory Hymn:**

Veni Sancte Spiritus;  
Veni Sancte Spiritus;  
Veni, Veni Sancte Spiritus;  
Veni Sancte Spiritus.

*(Come Holy Spirit)*

### **Communion Hymn**

Nothing can trouble, nothing can  
frighten those who seek God shall  
never go wanting.  
Nothing can trouble, nothing can  
frighten. God alone fills us.

Nada te turbe, nada te-espante. Quien  
a Dios tiene nada le falta.  
Nada te turbe, nada te-espante.  
Solo Dios basta.

### **Recessional Hymn**

Within our darkest night, you kindle  
the fire that never dies away, never  
dies away.  
Within our darkest night, you kindle  
the fire that never dies away, never  
dies away.

Dans nos obscurités allume le feu qui  
ne s'éteint jamais, ne s'éteint jamais.  
Dans nos obscurités, allume le feu qui  
ne s'éteint jamais, ne s'éteint jamais.
